Continuation Sheet (PTOL-303) 110/068,283

Application No.

Continuation of 2. NOTE: The issue of written description requirement remains under 35 U.S.C. 112 first paragraph. The newly added claims raise new issue since similar claims were restricted from the case in the Office Action of 6/30/03 and it is believed that the new claims would be restrictable following similar reasoning as that of the Office Action of 6/30/03. Applicant did not provide an argument fo why the restriction would be improper in previous responses and cancelled similar claims previously.

Continuation of 5. does NOT place the application in condition for allowance because: of the reasons set forth in the final rejection and for the reasons discussed above..
